Dish Cloth

A durable and absorbent large rectangular kitchen cloth designed for everyday wiping, drying and general cleaning. Ideal for drying dishes, wiping counters and tackling everyday kitchen spills. Washable and reusable, providing a practical and cost-effective alternative to disposable paper towels.

Dish Swab

A practical and absorbent smaller square cleaning cloth designed for everyday washing and wiping. Its convenient size makes it ideal for cleaning kitchen counters, work surfaces and other washable surfaces, as well as wiping up everyday spills and messes.

Microfibre Cloth – 40 × 40cm | 240gsm

High-quality 240gsm microfibre cleaning cloth designed for effective wiping, dusting and general-purpose cleaning. Made from 80% polyester and 20% polyamide, the fine microfibres provide excellent dirt and moisture pick-up while helping to achieve a clean, streak-free finish. Soft, durable and reusable, making it suitable for commercial, hospitality, food-processing, automotive and general cleaning applications.

Available in HACCP Colour Coding

Mutton Cloth – 400g

Soft, highly absorbent mutton cloth supplied in a convenient 400g pack, designed for general-purpose wiping, cleaning and polishing. The lightweight, flexible material effectively absorbs liquids and picks up dirt while being gentle on surfaces, making it ideal for kitchens, hospitality, automotive cleaning, workshops and general housekeeping applications. Suitable for wiping surfaces, cleaning up spills, polishing and drying

Spunlace Roll

150mm & 400mm

Available in HACCP colour-coded options for effective cross-contamination prevention. 100% Recycled Fibre

Durable, absorbent, and ideal for cleaning, wiping, and detailed scrubbing in food preparation and food processing environments.

Supa Wipes (25's)

Soft, durable, and highly absorbent wipes designed for everyday cleaning and wiping tasks. Available in HACCP colours to support colour-coded cleaning systems and help prevent cross-contamination in food preparation areas. Supplied in convenient packs of 25.

Terry Cloth

A highly absorbent large rectangular terry cloth designed for drying, wiping and general-purpose cleaning. Provides excellent liquid absorption, helping to leave dishes and surfaces clean and dry. Its larger size makes it particularly suitable for drying dishes, wiping larger surfaces and frequent kitchen or general cleaning.

Terry Swab

A soft and highly absorbent smaller square terry cloth designed for wiping surfaces and quickly absorbing spills. Its compact size and absorbent terry construction make it convenient for everyday cleaning of kitchen counters, work surfaces and other washable areas in domestic, commercial and hospitality environments.

Vesting Rags – 5kg & 25kg

Economical vesting rags designed for heavy-duty wiping, spill clean-up and general-purpose cleaning. Ideal for absorbing liquids and wiping away oil, grease, dirt and grime from machinery, tools, equipment and work surfaces. A practical and cost-effective wiping solution for high-volume commercial and industrial cleaning applications.

Available Pack Sizes: 5kg & 25kg

Workhorse Rags (50's)

Heavy-duty, highly absorbent interfolded cleaning cloths designed for demanding cleaning tasks. Extra-strong and reusable, they can be rinsed and reused multiple times to reduce waste and consumption. Ideal for industrial cleaning, food processing facilities, commercial kitchens, workshops, and general maintenance. Supplied in HACCP colours to support colour-coded cleaning systems and help prevent cross-contamination.

Pack Size: 50 cloths (25 sheets × 2 sleeves)
Sheet Size: 41 × 33 cm
