## Chamois

Soft and highly absorbent chamois designed for effective drying and wiping of vehicles, glass and other smooth surfaces. It quickly absorbs water and moisture, helping to leave surfaces clean, dry and streak-free. Ideal for car washing and detailing, as well as for windows, mirrors and general cleaning applications. Durable and reusable for convenient everyday use.

## Doodle Bugs / Scouring Pads – Pack of 10

Durable scouring pads designed for effective scrubbing and cleaning of floors, walls and other hard surfaces. Ideal for removing dirt, grime and stubborn marks during general, commercial and industrial cleaning. The pads can be used by hand or with a compatible pad holder for easier cleaning of larger surface areas.

Available in black for heavy-duty scrubbing and white for lighter cleaning and polishing applications.

**Pack Size:** 10 Pads
**Available Colours:** Black & White

## Green Scourers – Pack of 10

Durable green scouring pads designed for effective removal of stubborn dirt, grease, grime and food residue from hard surfaces. Ideal for general cleaning in kitchens, food preparation areas, hospitality, commercial and industrial environments. The abrasive surface provides strong scrubbing action for tackling difficult cleaning tasks.

**Size:** 140 x 210mm
**Pack Size:** 10 Scourers

## Motor Car Sponge

Large, absorbent sponge designed for washing vehicles and other large surfaces. Its soft, durable construction holds plenty of water and cleaning solution, helping to lift and remove dirt and grime while providing effective coverage over larger areas. Ideal for washing cars, bakkies, trucks and other vehicles, as well as for general-purpose cleaning applications.

## Pot Scourers

Heavy-duty pot scourers designed for effective removal of stubborn grease, burnt-on food and tough food residue from pots, pans and other suitable kitchenware. The durable scouring construction provides strong scrubbing action, making them ideal for busy commercial kitchens, restaurants, catering facilities and general kitchen cleaning.

**Pack Size:** 36 Pot Scourers

## Sponge Scourers

Practical dual-purpose sponge scourers designed for everyday washing and cleaning. The absorbent sponge is ideal for wiping and washing, while the abrasive scouring side helps remove grease, food residue and stubborn dirt. Suitable for use in kitchens, hospitality, catering and general cleaning applications.

**Available Options:**
Small – Pack of 3
Large – Single Pack

## Steel Wool

Durable steel wool designed for heavy-duty scrubbing, cleaning and polishing applications. Its abrasive steel fibres are effective at removing stubborn dirt, grease, grime and tough deposits from suitable hard surfaces, cookware and equipment. Ideal for use in commercial kitchens, workshops, industrial environments and general cleaning applications.

**Available Sizes:** 100g, 200g, 500g & 4kg
